Court Sends Case Initiation Filing—No Complaint Filed (NCF) Confirmation Notification (INI933)

Exchange Description

A trial court uses this NIEM-based data exchange to send an acceptance response to the same integration partner that originated the case initiation request for a No Complaint Filed (NCF) case filing.

The confirmation notification message sent by the trial court to the integration partner contains the new NCF case information (e.g., CCMS case number, participant, and no complaint specific case information).

No response message is sent by the integration partner upon successful receipt of the notification message. Successful delivery of the notification message is assumed unless an error in delivery or processing by the integration partner occurs.
